

Application No. 10/619,868
Supplemental Amendment Dated March 10, 2005
In response to Office Action Dated October 8, 2004

REMARKS

The undersigned attorney appreciates the Examiner extending the courtesy of an interview on March 10, 2005. During the interview, the Examiner agreed to further consider the claims listed in the present Amendment. It was agreed that claims 1 and 2, as shown in the present Amendment overcome the previously cited references in this Application, namely, Baker GB Patent Application No. 2,029,005 and Lee U.S. Patent No. 5,274,245. The Examiner agreed to conduct further search regarding these claims prior to the six-month date, April 8, 2005.

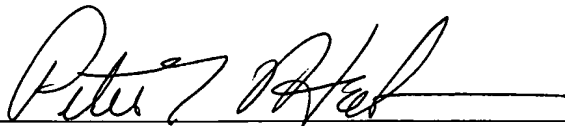

By the present Amendment, claims 7 and 13 are amended to depend from claim 1. As such, claims 7 and 13 are believed in condition for allowance.

Claims 12 and 18 are amended to independent form and are thus believed in condition for allowance, in accordance with the Advisory Action of January 25, 2005.

The present Application is thus believed in condition for allowance with claims 1-3, 7-15 and 18. Such action is respectfully requested.

Respectfully submitted,

ANDRUS, SCEALES, STARKE & SAWALL, LLP

A handwritten signature in black ink, appearing to read "Peter T. Holsen", is written over a horizontal line.
